

PLEASE NOTE: SOME OF THE MATERIAL ENCLOSED WAS BEING PREPARED FOR SHIPMENT TO CLUBS IN THE FALL OF 1976. IT WAS NOT SHIPPED BECAUSE OF THE U.P.S. STRIKE. WE HAVE SINCE ADDED ADDITIONAL MATERIAL.

MANY OF THE SCHEMATICS ENCLOSED ARE OBSOLETE OR CONTAIN ERRORS. THEY ARE BEING INCLUDED FOR WHATEVER INTEREST THEY MAY BE TO ANY MEMBERS OF YOUR CLUB. THEY DO NOT NECESSARILY REFLECT CURRENT MINI MICRO MART PRODUCTS.

IN THIS CONNECTION, MINI MICRO MART IS AT THE PRESENT TIME DISCONTINUING BOTH ITS RM 6800 AND RM 8080 SYSTEMS. (THE 8080 IS BEING REPLACED WITH A Z-80 AND A 6802 WILL REPLACE THE 6800 SYSTEM LATER IN THE YEAR.) SHOULD ANY CLUB BE INTERESTED IN EXCEPTIONAL VALUES IN EITHER AN 8080 OR 6800 SYSTEM, EITHER PC BOARDS OR KITS WOULD BE MADE AVAILABLE TO CLUBS AT GREATLY REDUCED PRICES IN LOTS OF 10 OR MORE. (AT THEIR ORIGINAL PRICES, THESE BOARDS WERE EXCEPTIONAL VALUES.) MINI MICRO MART WILL BE PLEASED TO QUOTE QUANTITY, PRICE AND DELIVERY INFORMATION UPON REQUEST.
