PEOPLE'S COMPUTER

Dear Mr Cleland,

If possible please visit
note about our computer
the Newsletter. Last
attracted kids from a
Calif. Thank you

Michael Zales

DEC 15 1980

This summer students ages 10-18 can sign up for computer camp:
National Computer Camp will be held in Moodus, Connecticut,
July 19-24 and July 26-31. The camp is for youngsters with all
levels of computer experience including no experience whatsoever.
National Computer Camp is the original computer camp in the USA.

For further information write Michael Zabinski, Ph.D.,
382 Hitching Post Drive, Orange, Connecticut 06477, or call
(203) 795-9069.
